

### **Where is The Summit at Brighton located?**

The Summit at Brighton is located at 2000 Summit Circle, in the Town of Brighton right off Winton Road South near Route 590.

### **What is the Community Center?**

This is the common space located on the main floor of the community. The Community Center features recreational and meeting space for individuals and groups, private dining room for special celebrations, gift shop, postal and banking services, state-of-the-art fitness center, billiards and card room, library with a computer center, and a hair salon. A regularly published calendar keeps you up to date on all community-wide programs and events that take place in the Community Center.

### **Do you have to be Jewish to live at The Summit?**

No, you do not have to be Jewish to live at the Summit. The community is open to people of all faiths, nationalities and ethnicity.

### **Should I decide to join The Summit at Brighton, what fees can I expect to pay?**

There are three types of fees at The Summit. The first is called a Refundable Entrance Fee, which provides you with lifelong use of your apartment home, use of all the community areas, and guaranteed access to the highest-quality on-site health care services. Entrance Fees are refundable in varying percentages, depending on which plan you choose.

The second is called a Life Care fee, which is only applicable if you choose the Life Care plan. Life Care is like prepaid health care, so if residents move from one level of living to another, they pay virtually no more for assisted living or skilled nursing than they were paying in their independent living apartment.

The third is a monthly service fee that covers all the services you will receive as a resident of The Summit.

- Flexible dining plans equivalent to one meal for each day of the month
- Weekly housekeeping and flat laundry service
- Repairs and routine maintenance of apartments, building and grounds
- Basic cable television included
- All utilities included except telephone
- Scheduled courtesy transportation
- Social, cultural, intellectual, and recreational programs
- 24-hour security and emergency response
- Priority access to Wolk Manor enriched living and The Jewish Home for long term care or short term transitional care
