Local woman celebrates 104th birthday

Posted at: 08/09/2010 8:46 AM

Several generations were on hand to help Esther Goldstein Solomon celebrate her 104th birthday. Crowds gathered at the Jewish Home for her big party on Sunday.

Family members say Solomon has survived a severe stroke, lived through the Great Depression, the first automobile and the first walk on the moon. We say, happy birthday and congratulations.
