Jewish Senior *Life* and Nazareth College Partnering Together

*Offering seniors Continuing Educational Programs and Serving as a
Clinical Training Site for Students of the College*

Rochester, N.Y. – Jewish Senior *Life* President and CEO, Dan Katz and Nazareth College President, Daan Braveman, have signed an affiliation agreement between the two organizations that supports their educational and clinical relationships and activities. This agreement will provide for the following:

- Jewish Senior *Life* residents will be able to audit courses offered at Nazareth College.
- The College will provide up to three lectures and continuing education offerings per semester to be held at The Summit at Brighton, part of the Jewish Senior *Life* continuum of living.
- The Jewish Senior *Life* campus will serve as a clinical training site for students of Nazareth College in the areas of physical therapy, art and music therapy, social work, nursing and field work disciplines such as sociology and psychology. It is contemplated that field work will involve the taking of oral histories and assisting Jewish Senior *Life* residents in preparing autobiographical materials.

“Our affiliation with Nazareth College will enhance our efforts to provide lifelong learning opportunities for Jewish Senior *Life* campus residents. It will also provide opportunities for Nazareth students to interact with Jewish Home residents and learn from their life experiences. The possibilities are endless in terms of interaction between different generations in a learning and life-enriching environment,” said Dan Katz.

"We are excited about the opportunity to have Nazareth students learn and work with the residents at Jewish Senior *Life*," said Nazareth College President, Daan Braveman. "The partnership will allow Nazareth students to apply what they learn in the classroom and gain real-world experience. In turn, senior residents of Jewish Senior *Life* will be able to audit classes offered on campus and attend continuing education offerings on-site. Partnerships like these reflect Nazareth's commitment to experiential learning and making a difference in the greater Rochester community."

This affiliation reinforces the commitment of Jewish Senior *Life* and Nazareth College in providing high quality continuing education for older adults, and practical experience and training for those starting their careers in the medical profession. Jewish Senior *Life* and Nazareth College look forward to working together on this mutually beneficial venture.
