## **The Summit at Brighton Celebrates 15 Year Anniversary**

**Rochester, N.Y.** – The Summit at Brighton independent senior living and Wolk Manor enriched living communities celebrate their 15-year anniversary on Sunday, June 23rd with an Open House from 1:00pm to 3:00pm on The Summit campus at 2000 Summit Circle Drive just off Winton Road. The Open House celebrates 15 years of serving the greater Rochester area as the first and only Life Care Community.

Life Care provides a continuum of services from independent living to assisted living to long-term care with no increase in fees, except for cost of living adjustments. Should the need for increased care arise, a resident can move to Wolk Manor enriched living or long-term care at the Jewish Home and continue to pay the same monthly fee charged for his/her independent living home. There are no limits or maximums with Life Care – the resident only pays the independent living rate no matter how long they live there, what level of care they need, or how much long term care costs rise over time. This provides huge savings, asset protection and peace of mind for whatever the future may bring.

The June 23rd Open House event includes refreshments resembling a progressive dinner party – each area of The Summit will have different types of food to encourage people to tour the entire community and model apartment. All guests will receive a special gift for attending..
